

West to Highlight Industry Leadership in Packaging and Containment at CPHI Worldwide

October 5, 2026

EXTON, Pa., Oct. 5, 2026 /PRNewswire/ -- West Pharmaceutical Services, Inc. (NYSE: WST), a global leader in innovative solutions for injectable drug administration, today announced its participation in CPHI Worldwide in Milan, Italy, where it will highlight its leadership and expertise in addressing industry challenges.

"For over a century, West has partnered with the world's leading pharmaceutical companies to help address complex drug packaging and delivery challenges," said Shane Campbell, Senior Vice President and Chief Proprietary Segment Officer at West. "At this year's CPHI, we are proud to showcase our SelfDose® patient-controlled injector, powered by the West Synchrony® S1 prefillable syringe system, which demonstrates how West is advancing patient-centered drug delivery through thoughtful design and an integrated delivery experience."

This year, West will share its industry expertise through a technical presentation and panel discussion:

- **Strategic CDMO Partnerships in Combination Drug-Device Development: Accelerating Time to Market While Mitigating Risks**
 - Tuesday, October 6, 2:15-2:40 PM CEST, Packaging and Device Innovation Theater 11A49
 - Presented by Richard Kieran, Director, Business Development
- **Panel: Large Volume Drug Delivery Trade Off: The Patient Choice Dilemma**
 - Wednesday, October 7, 4:15-5:00 PM CEST, Packaging and Device Innovation Theater 11A49
 - Dan Yates, Senior Director, Self Injection Systems
