

## West to Showcase Leadership and Advancements of Packaging Science at the 2022 PDA Annual Meeting

March 31, 2022

*West to moderate sessions, give keynote presentation, and share scientific posters, highlighting expertise in ensuring quality, sterility and stability of injectable drug products*

West Pharmaceutical Services, Inc. (NYSE: WST), a global leader in innovative solutions for injectable drug administration, today announced its participation at the 2022 PDA Annual meeting to include sharing the latest in packaging science with scientific talks, moderating session panels and presenting posters, throughout the meeting.

"With ever evolving patient needs and changing healthcare landscape, West remains on the forefront of packaging science by helping our customers address new demands and needs," said Cindy Reiss-Clark, Senior Vice President, Global Market Units and Commercial Solutions at West. "Through these presentations, posters and panels at the 2022 PDA Annual Meeting, we are sharing the cutting edge of packaging technology and knowledge that helps our customers speed their development of important therapies and drive better patient outcomes."
