Item 7.01 Regulation FD Disclosure

On February 2, 2006, West Pharmaceutical Services, Inc. settled a lawsuit filed in connection with the January 2003 explosion and related fire at its Kinston, N.C. plant for an undisclosed amount. The Company's monetary contribution was limited to the balance of its deductibles under applicable insurance policies, all of which has been previously recorded in the Company's financial statements. The settlement concludes all litigation related to the Kinston accident in which the Company has been named a defendant.

The Company continues to be a party, but not a defendant, in a lawsuit brought by injured workers against a number of the Company's third-party suppliers. The Company believes exposure in that case is limited to amounts the Company and its workers' compensation insurance carrier would otherwise be entitled to receive by way of subrogation from the plaintiffs.

The information furnished pursuant to this Item 7.01 shall not be deemed "filed" for purposes of the Securities Exchange Act of 1934, as amended, nor shall it be incorporated by reference into any of the Company's filings under the Securities Act of 1933, as amended, unless otherwise expressly stated in such filing.
